Dear Sirs

We are happy to announce and invite you to the 4th Annual Spring congress of the Cyprus Urological association. The meeting will take place at the Atlantica Miramare hotel in Limassol between the 8th of April 2022 and 10th of April 2022.

This has been a long-awaited opportunity that we hope to be able to materialise following the ongoing battle with COVID 19. This pandemic that brought the whole world to a standstill and unknown to the mankind conditions.

The last congress we held was in 2019 and we hope in 2022 we will be able to have an equally successful meeting that medical care professionals and providers will be able to share information, experience and ideas. The meeting will invite not only urologists but also doctors from other affiliated specialties, nurses, pharmaceutical specialists, trainees and medical students.

We would like here to take the opportunity to invite you to participate at our congress and provide you with the opportunity to share your expertise and widen your collaboration with the medical and nursing participants of the meeting.

The Board of Cyprus Urological association and the organising committee is looking forward to welcoming you at the congress.

Yours Sincerely,
