FIRST ANNOUNCEMENT

Message from the Conference Chair, CyDNA President

Dear friends and colleagues,

It is with great pleasure that the Cyprus Dietetic & Nutrition Association (CyDNA) announces its 10th International Conference with the theme **"Empowerment of Nutritional Science & Dietetics Profession in a Challenging World"**. The conference will take place on the 22-25 of November, 2018 at Filoxenia Conference Centre in Nicosia. This year the conference will commence on the 22 of November in the afternoon with a panel discussion open to the public with emphasis on the Importance to the Dietetic Profession and the Impact to the Human Health of the FAD Diets. Food and Nutrition Resources exhibition will run concurrently with the conference.

Our goal is to ensure the complete success of our upcoming international conference. The 10th CyDNA conference is a leading forum for academic faculty, clinical dietitians, nutritionists, practitioners, research experts in food technology, nutrition and dietetics, business delegates, investors in Food & Nutrition sectors, young researchers and talented student communities from universities and research labs providing an ideal environment to share the latest innovations in the Nutrition and Dietetics research.

Food, Nutrition and Dietetics is a subject of wide-ranging curiosity and importance. Nutritional science is the examination of how an organism is nourished, and combines the study of how nourishment affects personal health, population health, and planetary health. Nutritional science shelters a wide spectrum of disciplines. Whereas Dietetics is defined as "The art and science anxious with the guideline of the usual food and drink of a person as it narrates to health and hygiene, ration to sustain it in its presence, promoting growth, swapping loss, and providing liveliness".

The organizing and scientific committee of the conference schedules the scientific program so as to offer variety and diversity of subjects in order to emphasize the role of the dietitian in the whole spectrum of health and community and the necessity to be considered an indispensable member of the health care team and the health care providers.

The three day conference covers subjects by an international and local faculty of experts. The subjects have been selected to give a broad and in depth overview of a number of contemporary and traditional topics in dietetics and nutrition.

The conference will offer CME/CPE hours.

Finally, on behalf of the organizing committee, I would like to express our gratitude to all of our sponsors for making this conference possible and the concurrent food & products exhibition.

Looking forward to seeing you at the conference and hope that you will find it educational, stimulating, with a great opportunity to network with other health professionals.

Dr. Eleni P. Andreou, RDN, LD

Chair of the Organizing Committee

President of the Cyprus Dietetic & Nutrition Association

...και γάλα, και μαργαρίνη, και γιαούρτι !

- Μία υπέροχη εναλλακτική γεύση γάλακτος

Call for Papers

Deadline for Abstract Submission: *September 3rd 2018*

Guidelines:

- Abstracts must be written in English
- Abstracts must be submitted in MS Word (.doc) file
- Maximum number of words: 500
- Type the title of the abstract in CAPITAL BOLD LETTERS
- Write the name/s of author/s with initials preceding the last name, institution/s, city and country
- Underline the name of the presenting author
- Use double-space between the heading and the text of the abstract
- Specify your preference for ORAL or POSTER presentation
- Any abstracts received after the deadline will not be reviewed
- In order to present (oral or poster) the presenting author needs to be registered, with own expenses, at the conference.

Method of Submission:

Forward your abstract by e-mail as an MS Word attachment to the Conference Secretariat: **synedrio@topkinisis.com**. Following the review of abstracts by the scientific committee, submitting authors will be notified of the acceptance of their abstracts by **September 22nd, 2018**.

Important Dates

Dates of Conference: *22 – 25 November 2018*

Deadline for Abstracts Submission: *September 3rd 2018*

Notification of Acceptance of Abstracts: *September 22nd 2018*

Deadline for Reduced Registration Fee: *October 22nd 2018*

General Information

Duration: The scientific program of the conference will commence on Friday morning, the **23rd of November** and will end on Sunday, the **25th of November**.

Registration: An online registration form is available on the conference web site: **www.cyda2018.com**. The registration form is also printable for participants who wish to submit their registration form by fax to the Conference Secretariat. You may also use the enclosed registration form. Please submit your fully completed registration form **by the 22nd of October** to the Conference Secretariat in order to be entitled of the Reduced Registration fee.

Language: The official language of the conference is **English**. Simultaneous translation to Greek will be available for the conference but not the LLLs.

Venue: Filoxenia Conference Centre. True to its name, the Filoxenia Conference Centre was completely renovated to welcome guests from all over Europe. Now it's a modern conference facility, which hosts a wide range of events and honors the timeless tradition of Cypriot hospitality. The Filoxenia Conference Centre is conveniently located, with easy access to the highway and central roads of Nicosia. If you are located in Nicosia, you can reach the center via bus. If you are traveling via car, a large parking space outside the Centre provides easy access to the venue.

Accommodation: Special rates have been granted in two hotels near the conference venue for the participants of the conference (Semeli Hotel 3*, Hilton Cyprus 5*) Rooms will be reserved on a **'first come first serve'** basis. Please refer to the enclosed registration form or the conference website for more information on the hotels & venue.

Exhibition: The exhibition will be running throughout the duration of the conference. The exhibition is open to the pharmaceutical, dietetic and nutrition industries. For opportunities of attendance and further inquiries please contact the Conference Secretariat.
